Growth is the buzzword in today's market-driven economy. When it comes to polarization of economies across the globe, South East Asian countries are at their emerging best. India with its soaring GDP, foreign investments and skilled human resource, is the most potent and has been identified by experts as the next economic super power.

We at Shyam Group of Industries have been partnering India in her stupendous escalation. Strategically developed infrastructure is a universally accepted prerequisite of growth. We specialized in manufacturing key elements of infrastructure. We ensure benchmark quality in every aspect of development, Giving our nation the best products.

Growth, however, for the Shyam Group of Industries does not only comprise infrastructural development. It also means development of the people, of the peripheries where we operate from, of the society as a whole. Therefore we, at the Shyam Group of Industries, put in meticulous effort to strengthen the local economies by providing employment and encouraging micro-entrepreneurship.

The future belongs to a vibrant India throbbing with actions and acclaims. We dedicate our future to the progress of our Nation and people who are associated with us.

With best wishes

A handwritten signature in black ink, appearing to read 'B. Bhushan Agarwal'.

Mr. B. Bhushan Agarwal

Vice Chairman and Managing Director

Shyam Group of Industries is a vibrant conglomerate with multi-dimensional, multi-locational and multi-product activities including Steel, Ferro Alloys, Cement, Power, Coal Washery, Plyboards and Laminates, Infrastructure and Mining.

Shyam Group of Industries was established in 1991 and has a group experience of 15 years in Steel & Ferro Alloys Industries with a successful journey towards manufacturing quality products in India. Shyam Group of Industries has significant business presence across the Eastern and North-Eastern Region of India. Shyam Group is the leading steel producer in the state of West Bengal under Secondary sector in manufacturing activities of Sponge Iron, Ferro Alloys, Flat Products, Structural's, Construction Bars with a turnover of Rs. 5000 crore. The Group has multiplied its activities with a global focus in terms of productivity and integration. Shyam Group is now in the process of setting up power plants at various locations for captive consumption and has a long-term view towards the power sector in India. Shyam Group is also interested in setting up cement plants near to the power plants where it will use the available fly ash, from the power plant. The group has earned an appreciative clientele in the Indian market as well as the overseas market in Poland, Netherlands, Italy, UAE, Taiwan and others. We have existing power plants at Byrnihat (Meghalaya), Mangalpur (West Bengal) and Sambalpur(Odisha). Also we have proposed various power plants at various places which are under erection process; this includes Rengali (Orissa), Burdwan (West Bengal) and Lumshong (Meghalaya). We are in a process to set up Hydro Project in Chel (West Bengal)

Product Range

*Sponge Iron, MS Billets, TMT Re-Bars (**S-E-L**), Structural Steels, Ferro Alloys, S-E-L Zigma(**CRS**), Cement (**STAR**), Round Wire Rods, Pipes.*

Corporate Vision

- *To ensure an optimum ROI to the stake holders.*
- *To strengthen the economy of the community.*
- *Exploring new avenues of eco-friendly manufacturing process in all ventures.*
- *Futuristic growth curriculum to encourage more investments.*
- *Aspiration to spread the goodwill of our Nation.*

Corporate Mission

- *To sustain a steady profitability curve year on year.*
- *To reach the premier position in the infrastructure sector in India.*
- *To increase our volumes and diversify our operation to enhance the economic development of our Nation, provide our customers ultimate satisfaction by way of service and thereby generating a loyal customer base at home and abroad.*

Structural Steel: We have recently started a Structural Steel mill in our Sambalpur Plant with an installed capacity of 100000 MT per annum making **Angles, Channels and Joists**. All finished goods are made as per IS 2062 standard with strict quality controls at every stage. We are rolling 100% tested Billets from our own SMS Division to manufacture sections of highest quality. Our Quality Control Inspectors and Facilities of physical and chemical testing ensure the quality of the material in all respects. All dimensions are strictly within the tolerance levels avoiding wastage of materials and good quality raw material gives good tensile strength ensuring a long life for the material.

Our Product Range:

MS Angles : 90 X 90 X 6 mm to 130 X 130 X 16 mm
MS Joist : 150 X 75 mm to 250 X 125 mm
Ms Channel : 100 X 50 mm to 200 X 75 mm

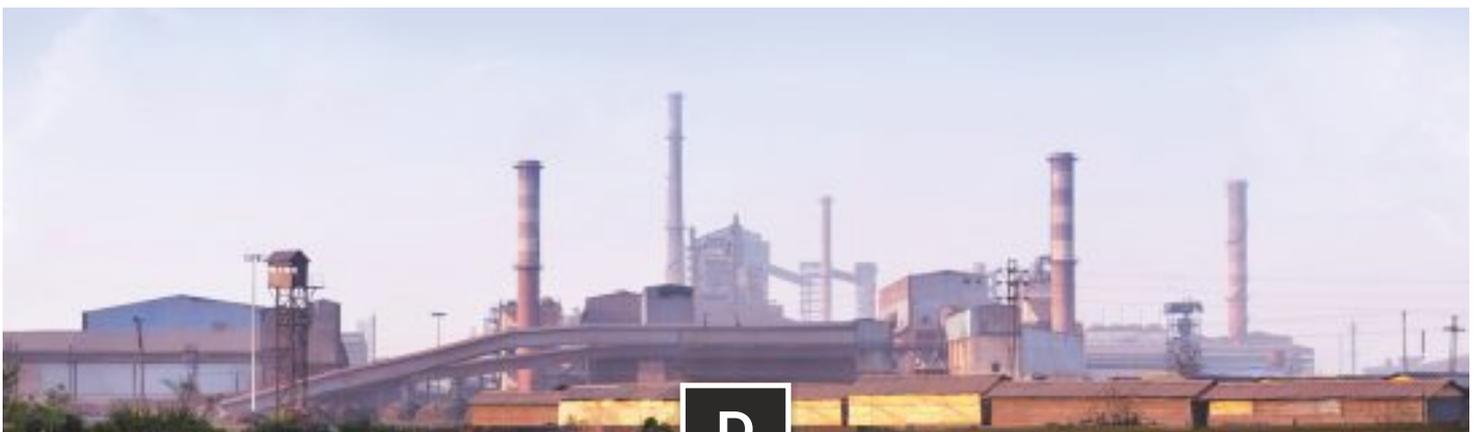

It is our prerogative to develop new and good quality products and service for our customer through a balanced assimilation and innovative design technology. The quality and performance of our groups' product in the global marketplace are well recognized. We are an **ISO 9001 : 2000** company. In the year 2005 we have received the prestigious **Dhatu Nayak Award** and the company is also recognized by **EEPC (Engineering Export Promotional Council)** of India.

Salient Features of Structural Steel:

- Structural Steels are all ISI Marked
- Accredited with ISO 9001, ISO 14001 & ISO 45001
- Billets & Blooms are manufactured in Technological collaboration with Concast AG, Zurich, in the size of 100, 125, 150, 200 & 250 mm.
- Licensed with BIS for 2062.
- Manufacturing 100000 Ton per Annum Structural Steels of various categories (i.e. Angle, Channel & Beam).
- Latest Spectrometer is used in day to day Production and Quality Control.

ISO : 9001 CERTIFICATION

DNV·GL

MANAGEMENT SYSTEM CERTIFICATE

Certificate No:
206851-2018-AQ-IND-UKAS

Initial certification date:
09 September 2016

Valid:
09 September 2016 - 08 September 2022

This is to certify that the management system of

Shyam Metalics and Energy Limited

H.O.: 83, 7th Floor, Trinity Tower, Topsia Road, Kolkata - 700 046, West Bengal, India

and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Quality Management System standard:
ISO 9001:2015

This certificate is valid for the following scope:
**Manufacture of pellets, sponge iron, ferro-alloy, MS/CRS billets, MS/CRS TMT (HSDS) bars, ERW pipes, structural steel
Generation of thermal power in an integrated steel plant**

Appendix to Certificate

Shyam Metalics and Energy Limited
Locations included in the certification are as follows:

Site Name	Site Address	Site Scope
Shyam Metalics and Energy Limited	H.O.: 83, 7th Floor, Trinity Tower, Topsia Road, Kolkata - 700 046, West Bengal, India	Human resource, marketing and purchase

NO.RITES/SMEL/CA/16-17/01/032

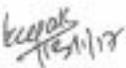

Dated: 13/01/2017

Sub: Assessment of Shyam Metals and Energy Limited.. at Sambalpur, Odisha.

With reference to the above, the undersigned has visited M/s, Shyam Metals and Energy Limited, Pandiol, Lapanga, Rengali, Sambalpur, Odisha - 768212, on 14.12.2016. A structured evaluation of its capabilities was conducted and verified based on the documents and witnessing the process and testing.

It is certified that the M/s, Shyam Metals and Energy Limited is a Primary Steel Producer having Integrated Steel Plant. The manufacturing process is PELLET-DRIF-EAF/EIF-CCM-RM. The plant maintain proper manufacturing quality assurance plan (QAP) and well equipped laboratory with modern testing facilities that include Spectro Meter and Universal Testing Machine (duly calibrated by NABL lab).

The organization is certified to ISO 9001:2015 AND ISO 14001:2015. The products i.e Billets, TMT bars and MS ERW Black Pipe are approved by Bureau of Indian Standards (BIS).

MAJOR APPROVALS PWD

TMT RE-BAR

MAJOR APPROVALS PWD

दिनांक-20.07.2020 को संयोजक, राज्य स्तरीय अनुसूचित दर निर्धारण समिति -सह-मुख्य अभियन्ता, तकनीकी परीक्षक कोषांग, मंत्रिमंडल सचिवालय एवं नियतनी विभाग, राँची की अध्यक्षता में अनुसूचित दर निर्धारण समिति के बैठक की कार्यवाही प्रतिवेदन।

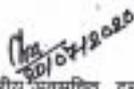

स्थान- निरूपण भवन डोरंडा, राँची।

उपस्थिति- संलग्न सूची के अनुसार

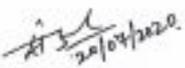

बैठक में SEL, Shyam Metals and Energy Ltd. & Shyam SEL and Power Ltd. Rengali (Dist, Sambalpur, Odisha) and Jamuria (Dist, Paschim Bardhaman, West Bengal) एवं Rungta Steel-Chaliyama, Seraikela-Kharsawan, Jharkhand के Steel के सम्बन्ध में चर्चा हुई। Agency द्वारा समर्पित दस्तावेज के अनुसार उक्त प्रतिष्ठानों का Steel सड़क परिवहन एवं राजमार्ग मंत्रालय द्वारा प्रकाशित Specification for Road and Bridge works के 5th revision के कोडिका 1009.3.1 के विशेषितियों एवं IS 1786 में विनिर्दिष्ट मानकों के अनुरूप है। निहित प्रावधान के अनुसार Steel का उत्पादन Iron Ores एवं Billets से किया जाना है। उपलब्ध दस्तावेजों के आधार पर उक्त दोनों प्रतिष्ठान इस अर्हता को पूर्ण करते हैं।

समय-समय पर सामग्री का अभाव हो जाता है, ऐसी स्थिति में समिति उक्त दोनों प्रतिष्ठानों के विशिष्ट मानक Steel को भी प्रकाशित होने वाले नये अनुसूचित दर पुस्तिका में शामिल करने एवं इसका प्रयोग निर्माण कार्यों में करने पर सहमति प्रदान करती है।

सदस्य, राज्यस्तरीय अनुसूचित दर निर्धारण समिति-सह-मुख्य अभियन्ता, उर्जा विभाग, झारखण्ड, राँची।

01 Sep 2021

E-in-C's List 'A' & 'B'

APPROVAL OF TMT BARS MANUFACTURED BY M/S SHYAM METALICS AND ENERGY LTD, KOLKATA

1. Refer approval for TMT bars manufactured by **M/s Shyam Metalics and Energy Ltd., Kolkata** accorded vide this HQ letter No 83044/Steel/469/E2 Des-3 dated 28 Sep 2015 for two years and renewed vide this HQ letter No 83044/Steel/816/E2 Des-3 dated 13 Dec 2017 for a period of 03 years.
2. The firm has reported supply of significant quantity of steel for MES works since renewal of approval in Dec 2017 and has approached this HQ for extension of approval of TMT bars. No adverse reports have been received from any MES formation on the steel supplied.
3. In view of above, approval for TMT bars of grades Fe 500 and Fe 500D of sizes 8mm to 32mm dia with brand name "SEL" manufactured by **M/s Shyam Metalics and Energy Ltd., Kolkata** using THERMEX technology is hereby renewed for next three years. (i.e. up to 31 Aug 2024)
4. The requirements for the MES units shall be met on priority by the firm. The concerned MES representatives may visit manufacturer's plant to inspect their documents, process, products and quality control measures.
5. The approval does not absolve the executive/supervisory staff from their responsibility for using correct quality steel. Necessary checks as per this HQ letter No 83044/Steel/1777/E2 (Des-3) dated 10 Jul 2012 shall be carried out by Comd / Zonal CE.
6. Samples from each lot should be tested for quality as per IS 1786-2008 and the elongation shall not be less than 18%.
7. The address and contact number of the firm are given below:-

Ref: 1. HCC/IKTRP/PWD/2021/1644 dated 06.09.2021

Dear Sir,

Please refer to your submission as referred above, regarding Source/ Vendor Approval of for TMT Bars (Grade 500) manufactured by M/s Shyam Metals and Energy Ltd. The submission is reviewed and found that the submitted credentials and other reports are satisfactory. As such the use of these TMT bars (Grade 500) manufactured by M/s Shyam Metals and Energy Ltd are approved to be used in permanent works at IKTRP; subject to following conditions.

- Manufacturer Test Certificates are required for each consignment of material.
- Third Party test certificates are required for the first consignment and for any randomly selected subsequent consignment.
- A BIS certificate need to be submitted, which shall be valid till the above material is intend to be used. A new BIS certificate will become due whenever the previous one lapse.

The above approval will stand withdrawn in case of any adverse report of the final product. This is for your record and next action.

Please note that Source/ Vendor Approval for TMT bars (Grade 5000) from five manufacturers of steel namely, TATA Tiscon, Jindal Steel, Shyam Steel, SAIL and Electrosteel had already been approved for use in permanent works.

The use of many different manufacturers of steel will make the system complicated. The approved six manufacturers of steel will be adequate to fulfil the requirements of the project. As such, no further manufacturers of steel will be considered for approval.

Thanking You,
Yours faithfully,

Source Approval for SHYAM METALICS GROUP-SEL Brand and Electrosteel (ESL).

Dear Sir,

Based on the Laboratory Test Results (Physical & Chemical Properties) obtained from Approved NABL Accredited Laboratory M/s STAR WIRE (India) Ltd Ballabgarh – 121004 (3rd Party Test House) on Samples of SHYAM METALICS GROUP-SEL Brand and Electrosteel (ESL); Source approval is hereby accorded for both the aforesaid makes of Reinforcement Steel in accordance with MoRTH Circular No. RWINH-34066/09/2017-S&R (B) dated 12th February 2021.

Test results for both the makes of Steel have been found conforming to IS-1786-2008 (RA 2018).

This Superseed our letter no OG/EPC/TL/Vol-IV/504 dated 06.03.2021 issued on the subject.

Thanking you and assuring you our best services at all times.

3 GAYATRI - PTPS/NH-55(A-S)/AE/TLQA-QC/2021/136 dated 26-06-2021.

Gentleman,

With reference to the letter cited above and subsequent factory inspection of M/s. SHYAM METALICS GROUP, KOLKATA, factory location at Rengali, Odisha by our Material Engineer Mr. Chandra Sekhar along with your representative Mr. B. Uma Shankaram on 6th July 2021 and witnessed the testing at factory laboratory. The test results of sample at factory laboratory as well as independent test house were found satisfactory with respect to IS 1786-2008.

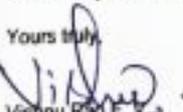

Therefore, we hereby accord our consent to procure the SEL brand TMT rebar of Fe 500D of dia 8mm to dia 32mm to use in the project works.

You are required to follow the IS/IRC and MORT&H 5th revision for procurement, frequency testing, storing of materials and stock maintenance.

We reserve our right to reject the source without prior notice if it is found that the product proved to be unacceptable.

This is for your information and further necessary action.

Yours truly,

Vishnu Rao

Ref: - 1) Contractor's Letter, Nos - 011, dtd. 17.03.2015 and 015 dtd. 20.03.2015
2) This office Letter No. AE/Contractor/14-15/042 dtd. 18.03.2015

Dear Sir,

Adverting to the referred letters under captioned subject, Authority's Engineer has reviewed the Company Profile, Credentials, General features of the product / process/ system with Specifications and Standards adopted, Copies of License and agreement, Acceptance test and criteria, Details of project where the product / process / system has been successfully used, limitations (if any) from the brochures as submitted vide letter under reference sl. 1.

We observed that following manufacturers of Reinforcement Steel are original producers conforming to stipulations of Clause 8.8.2(i), Page No.73 of Manual of Standards & Specifications (IRC : SP : 73-2007)

1. Shyam Metals and Energy Limited.
2. Concast Steel and Power Limited.
3. Scan Steel Limited.

In view of above, we approve these three sources for procurement of Reinforcement Steel for use in permanent work subject to condition that Reinforcement Steel of each lot delivered at site should meet the specified requirements as per Standards and Specifications. Relevant test certificates should be furnished along with each consignment of reinforcement steel.

With best regards,
For, STUP-ARKITECHNO (JV)
